

ANDREA ESPOSITO

Application Development Analyst

Profile

My name's Andrea and I am an Application Development Analyst.

I worked, and I still work, in Oracle's E-Business Suite, in different projects, for 10 years, since 2011.
I like develop, improve and bugfix of everything about Oracle Sql and PL-Sql.

I like to work as a team and take my responsibilities.

I am always looking for new challenges and I am enthusiastic about dealing with new technologies.
